Canadian Cancer Volunteers are active in our community. Our residential door-to-door campaign in the month of April gives you a chance to make a donation and get a tax receipt. Our local volunteers are Helen Boldt (454-8330) and Noni Campbell (454-8007). If we call when you are not home, please call us. The proceeds of this drive support the local 'drive' program.

Thought for the Month: By the time you wait for your ship to come in, the cargo may have shifted.
