### **B.R. Blooms Special Announcement**

Now that the weather has finally changed and our gardens are getting ready for winter we would like to thank all the people and businesses that helped out during our bloom season 2011.

- To the five members and one honorary member of Blooms, without your dedication and commitment our gardens would be weeds not flowers.
  - To the Hermans for looking after the watering of the barrel at the Centennial Park.
  - To Hugh Armstrong for his care of the garden at Centennial Park and his donation of day lilies that have been planted.
  - To the City of Kawartha Lakes Parks/Recreation and Culture Division, Community Partnership and Development Fund for the grant we received in the spring which enabled us to care for and maintain our four gardens in Burnt River.
  - To Craig Shanks & Jen Johnson from Parks/Rec and Culture Division for their help.
  - To Dudman Construction for their kindness, patience and prompt response to our cry for help this past year.
  - To everyone who has supported our group in any way, past or present. We hope that you continue to do so in the future.
- It takes a lot of planning, planting, kindness, patience and community spirit to accomplish our goals each year. Thank you.
